CONVERSIONS

AFTERSALES

AUTOREDO, YOUR OFFICIAL SUPPLIER OF NEW AND ORIGINAL SPARE PARTS FOR PRIVATE AND INDUSTRIAL VEHICLES.

Backed by more than 20 years' experience in the automotive parts sector, we have significant expertise in the field as well as knowledge of the African continent. Autoredo has a special department dedicated to this activity: the aftersales department. We guarantee new and genuine parts, thereby sparing you any nasty surprises or disappointment related to their use. We can advise you and offer solutions that are best suited to your specific requirements. This allows you to make the best choices and to have the best quality/price ratio.

Our aims?

- » To provide you with the spare parts you require whilst developing a special long-term relationship between us.
- » To support you in your choices.
- » To offer quick and accurate responses to your requests.
- » To offer you the best quality/price ratio.

With our proven experience, we lean on a large network of suppliers to offer you an important variety of brands, both for vehicles or trucks. Do not hesitate to contact us immediately for any additional information relating to our products. It will be our pleasure to advise you and offer the best possible solution to meet.

the spare parts kits.

Autoredo cares about his customer's peace of mind and is looking for helping them to anticipate their needs.

As a consequence, and thanks to our experience, we have tailored special spare parts kits for the maintenance of your vehicle fleet.

We can propose a 1, 2 or 3 years kit for each of your vehicles. The kits contain all the necessary parts needed to ensure the normal maintenance of your vehicle. Thanks to this, you have at your immediate disposal all you need to maintain your fleet. Moreover, you are sure that the parts you are using for this maintenance are 100% genuine parts, which ensures your vehicle to be kept on top conditions.

Service, advice and expertise, our team of specialists will help you to their best. Autoredo has a stock of parts and accessories worthy of the biggest companies on the market, and we would give you the best possible availability, regardless of where you stand. We are able to satisfy your needs as demanding as they are. All types of companies have trusted us, individuals to multinationals, so why not you?

Our Strengths:

- » A wide choice of quality brands for your vehicles or trucks.
- » Skilled specialists careful to your needs and ready to advise you
- » Attractive prices negotiated through years of collaboration with our many partners
- » Reactivity and ability to offer tailored transport worldwide.
